NOTES

Changes to original calendar: **St. Patrick’s Day Party (adult) moved to March. 14th.**
2nd Grade Instructional Mass – March 14 cancelled.
BWF 8th Grade
7th Grade Parent Meeting – so be rescheduled
8th Grade Pin Ceremony and Reception

Winter Club pick-ups – Please do not beckon your child from across the street. Please come to the front of the school building to get your child. Please be aware of the many children on the street at that time.

RBC Construction Update – The garages and smokestack have been removed. The old foundation will be removed at the end of March. The amended Resolution was approved by the town.

Terra Nova Testing – The testing is completed by Thursday. Students should have sharpened pencils with good erasers. Testing takes place in the morning only. The length of the testing time is appropriate for each age level.

Lent – Lenten conversations, thoughts, activities, and prayers flow through our days at school. This special time is a wonderful opportunity for family acts of kindness both within the home and outside of it.
