REMINDERS

Spirit Day – Due to the snow day on Jan. 28th, Spirit Day will be Feb. 20th.

“Mall” Dress Down Day – Families who submitted Mall receipts for school credit during the months of November and January received a dress down pass to be used on Feb. 2nd. Those student have been notified. Development oversaw this activity.

8th Grade Parent Meeting – At least one parent of the 8th grade student should attend this important meeting.

Ash Wednesday and Lent – Students will receive ashes during the school day. We observe the Lenten Fast. Meat will not be served for lunch on Ash Wednesday or any of the Fridays in Lent. We ask that students who bring their lunch observe this practice as well. Lent is a wonderful time for families to do good works, practice self-denial, and pray together. We will be observing Lent in all different ways within the classrooms and as a school community.

Winter Clubs – will soon begin. Please be sure to be prompt in picking up your child at whatever dismissal time is indicated.

RBC Construction – The demolition of the garages and smokestack have begun. The area is secure behind the safety fencing.

PTA Board – Plans for the formation of our PTA Officers and Board for the next two school years will soon be underway. If you are interested in becoming more involved and would like to chair a committee or program and did not so indicate that on your PTA packet, please do not hesitate to call Beth Coakley or Linda Murphy.

Supplies/Uniforms – very often get tired by this time of the year. Please be sure that your child has all the necessary utensils to help make his/her day go smoothly and be productive. Sweats are available in the Business Office.
