Thanks to your support, St. James is the #1 school in the program! Please keep up the great work and be sure to **have your receipts validated at the Customer Service Desk** (near the food court) **all summer long**. Remember, receipts from all Monmouth Mall Stores, restaurants, food court, movies and even restaurants outside the main mall on mall property earn points for St. James that can be redeemed for computers and other equipment for our school. **The program has been extended so please continue to validate your receipts!**
