Dear Parents:

We are delighted to inform you that our school and volunteer parents will host a very special "Kids' Kastle" Holiday Shoppe so our children may have a place of their own to shop for, and purchase inexpensive gifts for family and friends.

Our holiday store allows the children a safe place to buy gifts with the satisfaction of doing it on their own. Each child will be provided with a money envelope to bring home. Please make a note on the outside as to how much she or he may spend in any category.

The store will feature items categorized by table for Men, Women, Children, General, and Holiday. Children will find gift items suitable for parents, siblings, God Parents other family members, friends, grandparents and of course the family pet.

We are excited about this program as a learning experience for our children. Our "Kids' Kastle" Holiday Shoppe will provide a convenient and safe place for our children to shop while affording them an opportunity to learn about money and responsibility. They'll discover the value of different gifts and of making wise decisions as well as the joy of making thoughtful decisions about what to give a loved one.

Parents are welcome to come and see our inviting display. You are most welcome as well to shop after the children's shopping is concluded.

Thank you for allowing your child to participate in this rewarding and "FUN" event for us all.
