# SAINT JAMES MODEL UN PROGRAM

**“More than ever before in human history, we share a common destiny. We can master it only if we face it together. And that, my friends, is why we have the United Nations.”  
-Kofi Annan**

Welcome to the YMCA Model United Nations! Our program is designed to familiarize students with the operation and structure of the United Nations while providing them with an opportunity to actively learn about world cultures and debate issues of international importance. It is a dynamic and interactive learning experience that serves as an introduction to politics on the world stage.

The Model UN Program is conducted on-site after school for a period of approximately four months prior to the conference in January. The program is led by a Community YMCA Model UN instructor who will ensure that students are appropriately equipped to successfully participate as a delegate at the Y-MUN Conference. The Community YMCA delegation will travel together to the conference in Hershey, PA along with advisors from The Y who will chaperone the trip. By the end of the conference, children will be more informed, confident, and well-prepared for the challenges of high school.

Program Cost is TBD. Cost will cover all meetings, conference fees, bus transportation to/from conference, meals at conference and two night stay in the hotel. Financial aid is available for all who qualify.

**Interested in learning more? Complete this form and return it to the St. James main office by Monday, September 25th. We will host a parent/guardian meeting on a date TBD.**
