BUS CODE OF CONDUCT

ALL Students in Kindergarten through 8th grade MUST SIGN

This covers both daily bus rides to and from school as well as Class Trip Bus Rides

I understand that riding the school bus is a privilege. I understand that I am responsible for my behavior on the bus and that I must observe all bus rules to ensure a safe arrival to school and back home. I understand that:

- I will only use my cell phone in case of an emergency
- I must be seated as soon as I board the bus.
- I must remain seated, facing forward at all times.
- I must wear seat belts.
- I must keep my legs out of the aisle.
- My behavior must not distract the bus driver.
- I must speak in a quiet voice.
- I must be respectful to the bus driver and all students.
- I must never leave the bus once I board it, unless it is my bus stop.
- I must not do my homework on the bus.
- I may not eat or drink on the bus.

I understand that in order to keep my bus privileges, I must follow all the rules of proper bus behavior. If I do not, I understand that I will lose my bus privileges.

My child(ren) and I have reviewed and discussed this Bus Code of Conduct. It is fully understood that to ensure the safe journey to and from school, everyone is responsible to follow these procedures and any inappropriate behavior will result in the rescinding of bus privileges.
