### Parent/Guardian Contract

As the parent or guardian of this student, I have read the Terms and Conditions for acceptable use of technology resources at St. James School. I understand that this access is designed for educational purposes and that the school has taken available precautions to eliminate controversial material. However, I also recognize it is impossible for the school to restrict access to all controversial materials, and I will not hold them responsible for materials acquired on the network. I understand that this contract is binding as long as my child is a student at St. James School. Further, I accept full responsibility for supervision if and when my child's use is not in the school setting. I hereby agree to the conditions listed in the above paragraph, and therefore give my permission to allow my student computer usage and network access at Saint James Elementary School.
