Dear Parents/Guardians of 6th Graders,

Your child(ren) entering 6th grade in September will need the state mandated immunizations listed below for the first day of school. The new immunizations under State Law (N.J.A.C. 8:57-7 Immunizations of Pupils in School) are as follows:

- 1. One dose of TDaP Vaccine** (Tetanus, Diphtheria, A cellular Pertussis)
- 2. One dose of Meningococcal Vaccine (no earlier than 10 years of age)**

Your Health Care Provider may use the bottom of this form to record your child’s immunization data, or for medical information pertaining to why your child has not received these vaccines as of this date.

Thank you in advance for addressing this issue and sending in written documentation of the immunizations.

Sincerely,

Linda Doherty RN
School Nurse
