STEPS TO REGISTER

1. Click [here](#) or button above to access the Google Doc registration form.
2. Send payment to the St. James Business Office by October 16. Checks may be made payable to Saint James Elementary School.
3. School physicals are required for all students who wish to participate in the sports program. Physicals must be conducted by the student's own physician and documentation must be sent to the school. See Health Examination Form linked on the Registration doc or on mysaintjames.com.

Physicals are good for one year from the date of examination. If a physical expires during the sport season, it must be renewed before continued participation will be allowed. Please contact the school nurse, via the business office, if you need additional information regarding these requirements.

A Medical Treatment Authorization Form must also be on file with the Business Office. Link can be found in the Registration doc or on mysaintjames.com.
