

ST. JAMES GIVE BACK PROGRAM

Dear St. James Families,

Hello, my name is Jillian Moccio, I am Scarlett, Bobby, Luciana and Vivian's mom. This is our first year at St. James and we are loving it! As a realtor in Monmouth County, I am hoping to give back to the school community that has warmly welcomed us, one that we will be a part of for years to come.

I would like to offer my real estate services to families of SJS and I will be donating 15% of my commission to the school for any house bought or sold using my services by a member of the school, staff or any friend or family member that is referred to me by the SJS community. I appreciate any support and the opportunity to assist you, your friends and family and so excited to give back while doing so.

Please feel free to reach out to me with any real estate related questions or needs. I recognize and value the trust my clients place in me, and I strive every day to exceed their expectations. If you're looking for a positive, trusted advisor who is ready to provide you with exceptional service, reach out and let me show you what I can provide as your Realtor.

Sincerely,
Jillian Moccio
