

# SUMMER READING

Saint James School  
2024

## Grade 6

*“Once you learn to read, you will be forever free.” — Frederick Douglass*

### Students Entering Sixth Grade in September 2024 - Reading List & Projects

The summer reading assignments were created to encourage our students to become recreational readers, discovering how enriching and entertaining reading can be. We hope that through your reading you will learn more about yourselves and others. You are required to choose two books from the list below and follow the directions for your summer reading projects. Our hope is that you get lost in a book this summer!

#### Summer Reading List

<u>Titles</u>	<u>Authors</u>
<i>Heat</i>	Mike Lupica
<i>Rules</i>	Cynthia Lord
<i>The Secret Garden</i>	Frances Hodgson Burnett
<i>Counting by 7's</i>	Holly Goldberg Sloan
<i>Among the Hidden</i>	Margaret Peterson Haddix
<i>Brian's Winter</i>	Gary Paulsen
<i>Walk Two Moons</i>	Sharon Creech

#### Summer Reading Projects

1. Choose one of the books from the list above to read over the summer and then complete the attached menu project using the books you chose. Bring in the completed menu project (appetizer, entrée and dessert) on the first day of school.
2. Choose a second book to read this summer from the list above and be prepared on the first day of school to complete an in class project about the book. You will be expected to know the characters, setting, plot, climax and resolution of the story.

Mission Statement ✠ Saint James Elementary School is dedicated to preparing our students for a life of faith and honor by providing a challenging and empowering education that is rooted in the Catholic doctrine and academic excellence.
